### Interim parenting orders

7. On 23 April 2024, interim parenting orders were made by Her Honour Judge Carty of this Honourable Court, which provide for the children to live with me and spend time with Stephen as follows:
- (a) During school term, on a fortnightly basis as follows:
- (i) Week 1, from the conclusion of school or 3:00pm on Thursday until the commencement of school or 9:00am on Monday,
  - (ii) Week 2, from the conclusion of school or 3:00pm on Thursday until the commencement of school or 9:00am on Friday, and
- (b) Half of school holidays.
- ("the **Interim Orders**").
8. Since 23 April 2024, the children have spent time with Stephen and myself pursuant to the Interim Orders, save for the odd occasion where we reached agreement to alternative arrangements.

### Incident on 7-8 March 2025

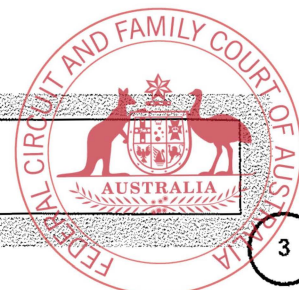

9. At around 3:30pm on Friday 7 March 2025, I received a phone call from teacher Amy Hannah at the children's school, Merewether Heights Primary School, and we had a conversation to the following effect:
- Amy Hannah: *Stephen has not arrived to pick up the kids. I can send the children to OOSH until you can arrive. What do you want me to do?*
- Me: *Yes, please send the children to OOSH and I will get there as soon as I can.*
10. At approximately 3:51pm, I sent a message to Stephen on Our Family Wizard ("**OFW**") stating, "*Kids are in oosh*".
11. At approximately 5:00pm, I finished work and called Stephen. He did not answer my call.
12. At approximately 5:03pm, I received a message from Stephen on OFW stating:
- Hi Heather,*
- I'm terribly sorry... I've been very distracted.*
- Please help me in continuing to care for them while I continue to do the lords work and please remind them both that they are forever loved by me the only way I know.*

13. At approximately 5:05pm, I sent a message to Stephen on OFW stating, "I'm concerned for your and their safety and will have the police check in you".  
Annexed hereto and marked "A" is a true copy of the messages exchanged between Stephen and I dated 7 March 2025.
14. I immediately called the NSW Police, told them about the message I received from Stephen and asked them to check in on him. I then collected the children from OOSH.
15. At around 6:30pm, I had another phone call with the NSW Police and we had a conversation to the following effect: they attended upon Stephen's residential address (7A Bakeri Circuit, Warabrook, NSW) and could not locate him. The NSW Police spoke to some of Stephen's neighbours who said they had not seen his car in a few days. The NSW Police were tracking Stephen's mobile phone and Apple watch and believed he was in Goondiwindi, Queensland.
16. At around 9:00pm, I had a phone call with the Queensland Police and we had a conversation to the following effect: they found Stephen and were taking him to Goondiwindi Hospital where they intended to schedule him.
17. On Saturday 8 March 2025, I had another phone call with the Queensland Police and we had a conversation to the following effect: Stephen had absconded from Goondiwindi Hospital leaving his mobile phone and Apple watch behind, possibly so he could not be tracked. The Queensland Police located him walking along a riverbank where he had been approaching nearby houses and asking for water. The Queensland Police admitted him to Toowoomba Hospital on Friday and he remained there on Saturday.

**Current circumstances**

18. On the evening of Monday 10 March 2025, I had a phone call with the NSW Police and we had a conversation to the following effect: they located Stephen's car on the side of the road in Bogabilla in northern NSW. The NSW Police sent me the coordinates of the location of the car and I arranged for the car to be towed and stored in Goondiwindi until Stephen is able to pick it up.
19. On the morning of Tuesday 11 March 2025, I had a phone call with a staff member of the mental health ward at Toowoomba Hospital and we had a conversation to the following effect: Stephen remains admitted, has his phone and laptop with him and it is unlikely he will be discharged by this Thursday 14 March 2025.
20. The children are to spend time with Stephen pursuant to the Interim Orders from school pick up this Thursday 14 March 2025. They have not seen or had any contact with Stephen since

Monday 3 March 2025 when he would have returned them to school at the conclusion of their last period of spending time with him.

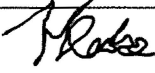

21. I am extremely concerned about the children's safety and welfare in Stephen's care, particularly following the incident on 7-8 March 2025 and seek that this Honourable Court suspend Orders 2, 6 and 9 of the Interim Orders for the children to spend time and communicate with Stephen pending further Order.
