Dear Stephen,

We confirm that the Court has made Orders per the draft Minute agreed during the Interim Defended Hearing last week. A copy of those Orders and reporting letter will be sent to you later today.

In the meantime, I attach Rebecca's reporting letter. Please take a moment to review it and let me know if you have any questions regarding its content.

Finally, I attach Rebecca's invoice and seek your approval for us to submit to JustFund for payment. I confirm that we are preparing our invoice and will provide that to you as soon as possible.

With kind regards,
Jacqui

Dear Jacqueline and Rebecca,

I hope this message finds you well. I need to address a concerning incident that occurred last night involving Heather and Joshua.

It's imperative to highlight that I've never been under any obligation to facilitate phone calls with Heather unless requested by the children. However, Heather initiated a call last night, which I returned. **Moving forward, I believe it may be best to exercise caution and possibly ignore such calls, but I seek your advice.**

My primary concern, amidst various others, is Heather's influence on our boys, particularly regarding their therapy sessions. It's apparent that she's attempting to manipulate their perceptions without regard for their well-being. How to ensure this does not happen? Can we arrange for them to meet with a therapist of my choosing?

Regarding the interim property settlement, while I'm content with the overall outcome, I feel it's necessary to clarify in future dealings with the court that I have consistently represented the voice of our boys, rather than imposing my beliefs upon them i.e. regarding swim or the 77 or 4 and 5 comments to Drew - **don't know why we stayed silent or didn't defend these accusations.**

Given the gravity of these issues, I feel it imperative to ensure that this message reaches Judge Carty for her consideration during her deliberations regarding custody.

Transcription Timeline of Events:

00:00:01 Joshua: Um, I don't.

00:00:03 Joshua: It's not nice.

00:00:04 Heather: Nah, I'm sorry.

00:00:19 Heather: I'm gonna go to work tomorrow and make a trillion dollars.

00:00:33 Heather: He has been waiting for dad to get a job and get lots of stuff.

00:00:41 Heather: Because Mommy can make a trillion dollars every day for 105,000 years, so she'll always be okay.

00:00:54 Heather: Well, I don't think it will be at my door because Daddy's room and Daddy's not supposed to know the money's address.

00:01:20 Heather: Just remember it's really important to Mommy.

00:01:23 Heather: Our address here in our home stays secret, okay?

00:01:28 Heather: And I know I'm not supposed to ask you to keep secrets, although it's very stressful for you to keep secrets from Daddy, but this one is one that's really important!

00:02:13 Joshua: Um, teacup?

00:02:15 Heather: Well, look, I'll tell you what. If you find the chip mug that Daddy gave me as a love present in the cupboard, you can just throw it on the floor and smash it because I won't need it anymore. I'll have a coffee playtime mug instead.

00:02:27 Joshua: I don't want to do that.

00:02:29 Joshua: 'Cause you might get upset if I actually do that.

00:02:32 Heather: Well, I don't need the chip mug anymore.

00:02:37 Heather: It's above where the coffee machine used to be. If you find the chipmunk, just throw it, smash it to a million pieces, and tell us why. So Mommy doesn't want it anymore at all.

00:02:46 Heather: Okay, but remember, it's a safety issue not to tell Daddy Mommy's address.

00:02:55 Heather: It's really important that he doesn't know where we are.

00:03:13 Heather: I need to tell you something really important.

00:03:16 Joshua: Yeah.

00:03:16 Heather: If you are ever at Daddy's house and you're scared or worried, we need to have a secret code word so you can tell me and I can come and get you.

00:03:24 Heather: Okay, so, Care Bears, is this the secret word?

00:03:29 Heather: And if you're worried or scared about how you're feeling at Dad's house, you say, "Mommy, I want my Care Bear," and I'll come to the house and get you.

00:03:38 Joshua: Okay.

00:03:40 Joshua: So then I'll take one of the teacups.

00:03:44 Joshua: Okay.

00:03:45 Joshua: And I'll give it to you.

00:03:47 Heather: Oh, just smash it down and I don't need them. I've got all my keycaps. I'm good.

END

Security or policy violation

How to Fix It

The recipient's email server won't accept your message because it appears to violate their security or policy settings. Check the **Reported error** below to see if you can determine why it was blocked. Then try one or more of the following:

- If the error mentions SPF, DKIM, or DMARC issues, forward this message to your email admin for assistance.
- The recipient's email server might suspect that your message is spam. Follow the guidance in this article: [E-mailing Best Practices for Senders](#). Then resend your message.
- If the error suggests your message is too large, try to reduce the size of your attachment. If that isn't possible, place the file on a publicly accessible cloud storage location, like OneDrive. Then add a link to the file in your message, and resend the message.
- Contact the recipient (by phone, for example) and tell them to ask their email admin to add you or your email domain to their allowed senders list.

If the problem continues, forward this message to your email admin. If you're an email admin, refer to the **More Info for Email Admins** section below.

More Info for Email Admins

Status code: 550 5.7.1

This error occurs when the recipient's domain has security or policy settings that reject the sender's message. However, we were unable to determine the specific setting that's causing this rejection. Usually the error is reported by an email server outside of Office 365. Common issues include the following: the receiving server suspects the message is malicious or spam; the Sender Policy Framework (SPF) record for [gmail.com](#) is incorrectly configured or doesn't exist; or the message includes an attachment larger than the receiving server will accept. Try one or more of the following:

Review the reported error - Check the **Reported error** shown below to help determine what the issue might be. For example, if the issue is related to an SPF failure, the reported error will usually include the acronym "SPF" or the phrase "Sender Policy Framework."

Correctly configure your SPF records - If you're the sender's email admin, make sure your domain's SPF records at your domain registrar are properly configured. Office 365 supports only one SPF record (a TXT record that defines SPF) for your domain. Include the following domain name: [spf.protection.outlook.com](#). If you have a hybrid configuration (some mailboxes in the cloud and some mailboxes on premises) or if you're an Exchange Online Protection standalone customer, add the outbound IP address of your on-premises servers to the TXT record. To learn how, see [Customize an SPF record to validate outbound email sent from your domain](#) and [External Domain Name System records for Office 365](#).

Unable to relay - If the **Reported error** indicates a problem with relaying (e.g. "unable to relay"), then the email server that reported the error likely isn't set up correctly to receive and relay messages from the sender's domain. This server will usually be one of your on-premises servers in a hybrid environment, a smart host email service that you're trying to route messages through, or possibly even an email hosting service you used in the past yet still have mail flow settings pointing to (e.g. your MX record at your domain registrar still points to your previous email service provider). Check **Error reported by** shown below to determine what domain, service, or server is reporting the error. The email server needs to be configured to either accept messages from anonymous users or to include the sending domain or IP in its list of authenticated senders. On an Exchange server, you can set this up in the server's receive connector. If it's a smart host managed by another service or partner, contact the service or partner to configure their servers to accept and relay messages from your senders. Also, work with your domain registrar to make sure your MX records are properly configured.

Contact the recipient's email admin - For some scenarios, you can fix the issue by contacting the email admin at the recipient domain to ask them to add the sender's email address or your domain to their allowed senders list, or to relax the setting that's causing the rejection.

For more information and tips for fixing this issue, see [Fix email delivery issues for error code 5.7.1 in Office 365](#).

Subject: Re: Cooke & Cooke

Dear Jacqueline and Rebecca,

I hope this message finds you well. I need to address a concerning incident that occurred last night involving Heather and Joshua.

It's imperative to highlight that I've never been under any obligation to facilitate phone calls with Heather unless requested by the children. However, Heather initiated a call last night, which I returned. **Moving forward, I believe it may be best to exercise caution and possibly ignore such calls, but I seek your advice.**

My primary concern, amidst various others, is Heather's influence on our boys, particularly regarding their therapy sessions. It's apparent that she's attempting to manipulate their perceptions without regard for their well-being. How to ensure this does not happen? Can we arrange for them to meet with a therapist of my choosing?

Regarding the interim property settlement, while I'm content with the overall outcome, I feel it's necessary to clarify in future dealings with the court that I have consistently represented the voice of our boys, rather than imposing my beliefs upon them i.e. regarding swim or the 77 or 4 and 5 comments to Drew - **don't know why we stayed silent or didn't defend these accusations.**

Given the gravity of these issues, I feel it imperative to ensure that this message reaches Judge Carty for her consideration during her deliberations regarding custody.

Transcription Timeline of Events:

00:00:01 Joshua: Um, I don't.

00:00:03 Joshua: It's not nice.

00:00:04 Heather: Nah, I'm sorry.

00:00:19 Heather: I'm gonna go to work tomorrow and make a trillion dollars.

00:00:33 Heather: He has been waiting for dad to get a job and get lots of stuff.

00:00:41 Heather: Because Mommy can make a trillion dollars every day for 105,000 years, so she'll always be okay.

00:00:54 Heather: Well, I don't think it will be at my door because Daddy's room and Daddy's not supposed to know the money's address.

00:01:20 Heather: Just remember it's really important to Mommy.

00:01:23 Heather: Our address here in our home stays secret, okay?

00:01:28 Heather: And I know I'm not supposed to ask you to keep secrets, although it's very stressful for you to keep secrets from Daddy, but this one is one that's really important!

00:02:13 Joshua: Um, teacup?

00:02:15 Heather: Well, look, I'll tell you what. If you find the chip mug that Daddy gave me as a love present in the cupboard, you can just throw it on the floor and smash it because I won't need it anymore. I'll have a coffee playtime mug instead.

00:02:27 Joshua: I don't want to do that.

00:02:29 Joshua: 'Cause you might get upset if I actually do that.

00:02:32 Heather: Well, I don't need the chip mug anymore.

00:02:37 Heather: It's above where the coffee machine used to be. If you find the chipmunk, just throw it, smash it to a million pieces, and tell us why. So Mommy doesn't want it anymore at all.

00:02:46 Heather: Okay, but remember, it's a safety issue not to tell Daddy Mommy's address.

00:02:55 Heather: It's really important that he doesn't know where we are.

00:03:13 Heather: I need to tell you something really important.

00:03:16 Joshua: Yeah.

00:03:16 Heather: If you are ever at Daddy's house and you're scared or worried, we need to have a secret code word so you can tell me and I can come and get you.

00:03:24 Heather: Okay, so, Care Bears, is this the secret word?

00:03:29 Heather: And if you're worried or scared about how you're feeling at Dad's house, you say, "Mommy, I want my Care Bear," and I'll come to the house and get you.

00:03:38 Joshua: Okay.

00:03:40 Joshua: So then I'll take one of the teacups.

00:03:44 Joshua: Okay.

00:03:45 Joshua: And I'll give it to you.

00:03:47 Heather: Oh, just smash it down and I don't need them. I've got all my keycaps. I'm good.

END

Hi Stephen,

Thank you for the email below which I will review in a moment.

Immediately though - I do need to remind you that you MUST not email Rebecca directly. Doing so is a breach of the rules and will inflate your already significant legal costs.

I suspect that, with so much going on, that you perhaps forgot that I raised this several times last week. Nevertheless, I do need to be very clear now – do not, under any circumstances email Rebecca directly. IF communications need to go to her, I will ensure that they are shared at the appropriate time and in the appropriate way.

With warm regards and apologies for my stern approach. I will now review the material you shared.

Kind regards,
Jacqui

Jacqueline,

I am SICK and TIRED of the Heather relentless never ending BULLSHIT!

I have the kids with me and I tire of having to deal with these ongoing issues that continue to take me away and rack up my costs.

Please put in an order for full custody for final orders. It is a very appropriate response to Heathers manipulation which SCREAMS I am determined to refuse to co-parent.

Stephen
