Provide information

Hi Stephen,

We recently asked you to provide some information as part of a standard account review.

It's been more than 21 days since our initial email, and we haven't received the information we need. This means your account features — such as transfers and deposits — have been restricted.

These restrictions also apply to any associated sub-accounts you may have (Joint and Revolut <18).

How do I submit this information?

Tap the **Provide information** button below to head straight to the app and get started.

How long will it take to review my information?

Once you've provided the requested information, our team aims to review it within 7 days.

What happens if I don't submit the information?

Your account features will remain restricted until the requested information has been provided.
